2 Nights Victoria Falls Package

DAY
01

Airport transfer(Pick up time depends on flight arrival times)

Upon guests' arrival at The Victoria Falls International Airport you will be met by our experienced driver guide. The guide will be holding a board with guests' names or a group name if they are coming as a group. The driver-guide will do the meet and greet and assist you with the luggage to the vehicle. All the vehicles are air-conditioned to cater for the prevailing weather conditions and smart, interior and exterior. The drive from either Livingstone or Victoria Falls International Airport will be 25mins crossings.

1600hrs(Sunset Cruise)

There is nothing fascinating in Africa as seeing an African sunset or sunrise. This is the best time of being on the Mighty Zambezi River- on a Boat Cruise. Basically, our sunset cruise includes picking guests from their hotels of stay and its not more than 10 minutes' drive to our boats docking site. Our Boat cruise last for 2 hours of cruising on the Zambezi River. On the cruise you will have chances of seeing hippopotamuses, crocodiles, different birds' species and elephants. On the cruise, we have an open bar with different beverages that will be consumed unlimitedly, a plate of finger snacks and roasted nuts all served free of charge.

0900hrs (Guided Falls Tour- Zimbabwe side)

The Majestic Victoria Falls tour is breath-taking. The Zambezi River water falls down the black basalt rock spraying mist into the sky and creating a rainbow on a rainless day. The mist falls down as rainy showers refreshing you on a sunny day as you marvel at the world's largest sheet of falling water. A trained guide walks you through the tour delivering interesting facts about the history of its discovery and geological formation. Inclusions on the tour are raincoats, bottled water, return transfer from the Hotel.

1130hrs (Guided Falls Tour- Zambia Side)

The falls tour on the Zambia side is a worth-doing activity, this gives a clear understanding of the length of the falls and also the walk on the Knife edge bridge. The mist falls down as rainy showers refreshing you on a sunny day as you marvel at the world's largest sheet of falling water. A trained guide walks you through the tour delivering interesting facts about the history of its discovery and geological formation. Inclusions on the tour are raincoats, bottled water, return transfer from the hotel. The Zambia side falls tour is a continuation from the Zimbabwe side. After the falls tour the guests will proceed for Lunch at either The Baines or Lookout Café Restaurant on own account.

0900hrs (Guided Falls Tour- Zimbabwe side)

This is a buffet dinner that comes with a live band of African singers. The dinner has a wide selection of African cuisine including some game meat. It is not only limited to the African cuisine, but also incorporates the taste from across the globe which is prepared with world class qualified chefs. The Boma restaurant is not quiet atmosphere, it is vibrant with singing and dancing in African style and each diner will have chance to beat the drum and go with the rhythm as will be instructed. The pick-up transfers from the lodge or hotel are provided for.
